Our November fall luncheon on Monday November 13, 2023 was catered by The Market Café. Our guest speaker was Annette Mulligan, a renowned health advocate, wellness trainer, and author. She shared information to help us set goals, to stay motivated and eliminate stress to enjoy a vibrant life.

Thank you to the many members and non-members who returned surveys. These surveys will be reviewed and considered in planning future luncheons and programs. Many of the comments made were actually already in motion by our current board. We are striving to bring value to our members at every luncheon.
