

What better way to enjoy February than with a Valentine Tea Party while spending quality time with friends. The clubhouse dining room was decorated with tea pots, pink table cloths and doilies on Feb. 12 for our tea party. Pink Prosecco or sparkling cider was served and It's Party Time provided a beautiful display of tea sandwiches, scones and desserts. The question of the day was "when was your first tea party, where, and who were you with"? This brought back some fond memories. The beautiful piano music was provided by the "Dueling Pianos", *Roger and Nancy White*. They played wonderful music and gave us an opportunity to sing along as well.
