

Jan 2024 CWA Villager Article

“I am Dreaming of a Pink Christmas!” Who would have ever thought our chairman’s idea inspired by an old story book would turn out to be the “IN” Christmas décor in 2023. The recent Barbie movie brought that pink theme back in vogue. Our clubhouse was already decorated beautifully, but our event chairs Judi Hickman and April Marcell made it special with (you guessed it) more pink. I never imagined a pink tree could look so beautiful. Guests were served pink glittered Prosecco as they entered. Our delicious brunch was catered by Cutsforth’s from Canby. The darling children from Innovation Dance Studio performed dances to known Christmas carols. What a lovely way to enjoy the holiday season with our friends and family. Thank you to the chairs and committee for all their work to make this event so lovely.

With all the holiday bustle, don’t forget to RSVP for our January luncheon Jan. 8th, “From Frosty to Flowers”. Bauman’s Farm and Garden will be our featured speaker as they discuss ways to prepare for Spring in the garden. Deadline for sign up is Thursday Jan 4 at noon.

The Dueling Pianos of Roger and Nancy Wilhite will perform for us Feb. 12th at our Valentine’s Tea. They are always a big hit and you won’t want to miss this special time to celebrate with your friends.

I am making this short as there is much to do at this time of year, however I wish you the beauty...and the wonder... of a year that brings you happiness. Happy New Year
