

CWA Article for May 2025 *Villager*

The CWA club year is winding down, but we plan to finish with one of our biggest events of the year. On Monday, May 12 we will have our last luncheon with a fashion show as the program. Babs Osterud, personal stylist, from *The Difference* in Lake Oswego will be coming to present “Revamping Your Style – The Magic of Accessories”. I am sure that many of you remember Babs from the program that she did last year for CWA. She has been a stylist with *The Difference* for 4 years. She says that she is a country girl at heart and loves to be outdoors no matter what the weather. Babs has found a style that works for the way she likes to live, and she loves helping women find the joy in dressing. There is no one size or one style fits all at *The Difference*. This will be evident as our own members will be modeling. I am very excited about the fashion show part of the day, but that will be preceded by a lovely luncheon catered and served by *Its Party Time*. The cost is \$40 for members and \$45 for guests. Tables of 8 may be reserved. All payment must be submitted with the table reservation form. The sign-up book is in the Activity Center closet. Clearly marked payment should be handed in at the desk or placed in the slot near the Activity Center doors. Deadline is Thursday, May 8 by noon. CWA hopes to see you there to celebrate the end of the year and to enjoy this special day.

This will be our last full club event of the year but on Monday, June 2 the outgoing and incoming boards and committee members will gather in the card room for a brunch. We are still hoping to have a few more volunteers join us in working to make next year as interesting and fun as this past year has been. Would you be interested in joining the decorations or programs committees for instance? Please call, e-mail, or speak to me in person. As things change, we try to adapt the club to reflect the needs and desires of our members. We would love to have your opinion and your voice in the planning.
