

The CWA Fashion Show is a much-anticipated event and the date is now approaching. On Monday, May 11 **Chico's** will present fashions modeled by our own CWA members. The theme this year is "It's Derby Time". The Kentucky Derby has been held in May for over 150 years. We hope that you will add to the festive Derby atmosphere by honoring the tradition of wearing a hat. The reservation book will be open until Noon on Tuesday, May 5. It is in the closet of the Activity Center. Payment is made by putting your check in the CWA lockbox on the wall to the right, just inside the closet door. The cost is \$40 for members and \$45 for guests.

**It's Party Time** is catering the event and they are serving a spring brunch menu with vegetable and meat frittatas, blueberry French toast casserole, bacon & sausage, potatoes, fruit, and a bread and pastry assortment. Prosecco, wine and sparkling cider will be served.

We hope that you will be able to make it. Guests are warmly invited. Don't hesitate to attend with just one or two friends or neighbors or even alone. We will have board members helping ladies find a seat. So, don't stay home. Chico's always puts on a lovely show, and it is fun to see our members showing off the fashions.

The brunch and fashion show will be the last luncheon and program for the CWA club year. We will be busy planning for next year and already have a few things on the schedule. We are still happy to add to our board or have help with a specific event. Whether you are a new or an experienced CWA member you can help us continue with the fellowship of monthly luncheons and interesting programs.
